EDUCATION

Bharati Vidyapeeth Deemed University — **Paschim, Vihar, Delhi**
Master of Business Administration — *01/2021 - 12/2023*

Allahabad State University — **Allahabad , UP, India**
Bachelor of Arts — *07/2017 - 08/2020*

TECHNICAL SKILLS

Java, C, C++, JavaScript, HTML, CSS, Spring Boot, Hibernate, REST APIs, MySQL, Git, GitHub, Eclipse, VS Code, Postman, Data Structures & Algorithms, MVC, Exception Handling, , Docker (basic), OOP, SDLC, Python (basic), Angular

WORK EXPERIENCE

Java Developer *(Software Engineer)*

DHANUKA Laboratories, Gurugram, India — *07/2024 - 08/2025*

- Designed and deployed scalable enterprise-level applications using **Spring Boot, Hibernate, and MySQL**, improving backend efficiency by **35%**.
- Implemented **RESTful APIs** for data integration across internal systems, reducing API response time by **25%**.
- Optimized **database queries and indexing**, boosting data retrieval speed by **30%** and reducing downtime.
- Automated manual workflows, cutting **operational effort by 30%** and accelerating project delivery by **20%**.
- Integrated **CI/CD pipelines** with Git and Jenkins, reducing deployment errors and improving release cycle time by **25%**.
- Enhanced application **security and exception handling**, lowering defect leakage by **20%**.
- Collaborated with cross-functional teams to deliver **high-performance, scalable, and user-friendly solutions**.
- Conducted **code reviews and unit testing**, improving overall code quality and ensuring **95% bug-free releases**.

PROJECTS

- **Bookstore Application**, I developed and deployed a full-stack Bookstore web application using Spring Boot, MySQL, JPA, and Thymeleaf, improving book management efficiency by 40% and streamlining CRUD operations to reduce manual entry time by 30%. By automating catalog and cart features, I cut manual management effort by 35%, boosted data retrieval speed by 25%, and increased user satisfaction by 20%. This project demonstrates my ability to deliver scalable, high-performance solutions while optimizing backend processes and accelerating project delivery speed by 30%.

CERTIFICATION

- Java Expert – Ducat IT Training Center
- Python–Insta Infotech
- Data Structures and Algorithms (Grade: A) – SN HUB Computer Education
